

I wish. Kate Aksonova.

*Forest with lot of stumps.*

*Enter children.*

CARL: Ned, are you sure that we are on proper place?

NED: My old brother explain me the road. He went here when he was our age.

BERTY: Was he?

MEGGY: And now?

CARL: Like before, he is six years older than we, nothing change.

NED: Except forest, Tim told me about huge forest.

BERTY: And now are stumps.

MEGGY: It isn't lot of shadow in sunny day.

NED: Fine, I do what I could, we could play in other place.

BERTY: It's not your fault.

NED: Tim told it was most beautiful place that he saw.

MEGGY: Now it isn't.

*Blackout.*

*Carl enters alone.*

CARL: I listened to Ned and than asked Tim. This is the same road. It can't be a mistake. Now there are mostly stumps. I wish here were more trees.

*Fairy enters.*

FAIRY: I hear you.

CARL: I speak out loud.

FAIRY: Is it your truly wish?

CARL: At first, my name is Carl. And you are?

FAIRY: Fairy of this forest.

CARL: Or fairy of what is left from forest.

FAIRY: It's reason of my daily sadness. I heard you.

CARL: About stumps?

FAIRY: Yes, you could change everything.

CARL: How?

FAIRY: Just have a wish.

CARL: Wish about what?

FAIRY: You said you want more trees.

CARL: Yes.

FAIRY: Just wish a tree.

CARL: One wish for one tree.

FAIRY: Yes.

CARL: Fine. I will try, thank you, till next time.

FAIRY: You don't believe.

CARL: I believe.

FAIRY: You are afraid that nothing will happen.

CARL: No, I can do it.

FAIRY: Try.

CARL: Yes.

FAIRY: I am waiting.

CARL: I wish a tree. Nothing, have a nice day. Was glad to meet you.

FAIRY: Wish it from your heart.

CARL: I...

FAIRY: Heart.

CARL: I really wish a tree such way that I could grow it.

*Shining.*

*New tree is in the forest.*

FAIRY: You made it.

CARL: I did. Now I should show to others. Sorry. See you, wait here.

FAIRY: I am always here.

*Blackout.*

*Kids enter.*

MEGGY: Why such hurry?

BERTY: Carl said it's important.

CARL: Yes, look at that tree.

NED: Usual tree. Why you are so happy?

CARL: Look at it.

MEGGY: Lovely little tree.

BERTY: Why we are here?

CARL: I made it.

NED: What?

CARL: Tree. I wished and it now is here.

MEGGY: Just wished.

CARL: Yes. Like told me Fairy of this forest.

BERTY: You met a Fairy?

CARL: Yes. And we have a little talk.

NED: We should believe you.

CARL: Try yourself.

MEGGY: What?

BERTY: Fairy, Fairy. Where are you?

NED: No.

CARL: You should wish that in this forest will be more trees.

MEGGY: That's all.

CARL: Try.

BERTY: I wish that in this forest will be more trees.

*Enters Fairy.*

FAIRY: I heard you.

MEGGY: Fairy.

BERTY: I wish to that forest more trees.

CARL: You should wish it from heart.

MEGGY: I wish.

BERTY: I wish.

NED: I wish.

FAIRY: Good.

*Shining. Three new trees are in the forest.*

MEGGY: We did it.

BERTY: I did it.

NED: I did.

CARL: We did it.

FAIRY: Every wish should be from your heart.

*Blackout.*

*Kids are in the forest with lots of little trees, there are no stumps.*

MEGGY: We made this forest different.

NED: Like Tim told me, which it was before.

BERTY: Beautiful.

CARL: With wish in heart we could do everything.
