

## Kate Aksonova. Dream big.

Idea 12.09.2015

*Scene 1.*

*Giraffe and Elephant enter.*

GIRAFFE: Another sunny day. It's good to be tall, I see everything.

ELEPHANT: I like sunny hot days. It's good to be big, everyone walks away from your path.

GIRAFFE: Yes. It's good to be big.

*Parrot is on the tree.*

PARROT: It's not important to be big in life.

GIRAFFE: Is it you, parrot?

PARROT: Yes, it's me. Another hot day.

ELEPHANT: What is important in life than?

PARROT: To fly.

GIRAFFE: To fly?

PARROT: I could be everywhere, above everyone.

ELEPHANT: Not useful trait. Better to be big.

SNAIL: *(tiny voice)* Better to be big.

GIRAFFE: Who whispers that?

SNAIL: It's me, snail.

ELEPHANT: Where are you, snail?

SNAIL: Down there, I'm little.

*Giraffe and Elephant notice Snail.*

GIRAFFE: Really little. Even tiny. I could never notice you.

ELEPHANT: I could step on you.

SNAIL: I know. And I am not so quick.

PARROT: You can't fly.

SNAIL: I know and my life is sad, because I am so little.

GIRAFFE: What will change if you were big?

SNAIL: Everything. I wish I was big and I'll be happy.

*Flash, magic fog.*

*Scene 2.*

PARROT: What was that?

ELEPHANT: I don't know.

GIRAFFE: What is that?

*Snail is the same size as Giraffe and Elephant.*

SNAIL: I am big. I am big. It happened. No more fears that you'll step on me. I am happy. Everyone run from my way. I am big. I am big.

*Snail exits.*

PARROT: I will fly and watch how he will be as big snail.

*Parrot exits.*

GIRAFFE: What's now?

ELEPHANT: Snail became as big as we, or we became little as he.

GIRAFFE: It can't be possible.

ELEPHANT: Why?

GIRAFFE: Trees stay the same size as were.

ELEPHANT: If tree didn't became the same size as snail.

GIRAFFE: It couldn't be true.

ELEPHANT: Remember about snail. It also can't be.

GIRAFFE: I know. What we do now?

ELEPHANT: Better to find and play with him, if he became as big as we are.

GIRAFFE: It's good idea. We all have to be together.

ELEPHANT: I told you, it's good to be big.

*Giraffe and Elephant exit.*

*Scene 3.*

*Giraffe and Elephant enter.*

GIRAFFE: Where is he, why he is so slow?

ELEPHANT: I don't know. He is big, but slow. Why is that?

*Parrot enters.*

PARROT: He will come, soon he will be there. I saw him above.

GIRAFFE: I hoped it always fun with such big animals.

ELEPHANT: Not with everyone.

*Snail enters.*

SNAIL: Here I am. It was fun. It's good to be big.

GIRAFFE: Good, but you are slow.

SNAIL: I am not.

ELEPHANT: You are.

PARROT: And you can't fly.

SNAIL: I am big. I always wanted to be big. I am and now you won't play with me.

ELEPHANT: We like to run.

SNAIL: It's lie. It's me. If I was bigger. If I was bigger than you all.

PARROT: Bad idea.

*Flash, magic fog.*

PARROT: Too late.

*Flash, magic fog.*

*Scene 4.*

*Snail bigger than Giraffe and Elephant.*

SNAIL: Now you'll play with me. I am bigger than you.

GIRAFFE: You can't say to us, which friends to choose.

SNAIL: I am big.

ELEPHANT: You are big and you didn't notice anyone near you.

SNAIL: Because I am big.

PARROT: You still can't fly.

SNAIL: Quiet, all of you. You are jealous I am big.

*Snail pushes Giraffe and Elephant.*

GIRAFFE: If you are big you can't be like that. We could be hurt.

ELEPHANT: You didn't notice anyone above you. It's not fair.

SNAIL: I know. Now you feel what I feel. It's dangerous to be little.

*Flash, magic fog.*

*Scene 5.*

PARROT: What's now? Where is snail?

SNAIL: I'm here. Tiny on the ground.

GIRAFFE: Here you are.

ELEPHANT: Why you again so little?

SNAIL: It's not good to be big if you not notice little one. I want to be me.

ELEPHANT: We are sorry, we didn't notice you. Now we could play together.

PARROT: He is little and slow.

GIRAFFE: It doesn't matter.

*Giraffe takes Snail on his head.*

ELEPHANT: Friends don't depend on size.

PARROT: He still can't fly.

GIRAFFE: It didn't make him worse.

SNAIL: Friend is not a size of a body.

ELEPHANT: Friend is size of a heart.

*CURTAIN.*
