

Kate Aksonova. Polar friendship.

Polar landscape.

On ocean's surface is Whale Ko.

WHALE KO: Wonderfully freezing day. Where are everyone?

On ocean's surface is Whale Lo.

WHALE LO: In water, Ko.

WHALE KO: Nice to see you, Lo.

WHALE LO: If you could see a lot of animals here, it will be better.

WHALE KO: Such freeze is not for everyone.

WHALE LO: I didn't see penguins a lot.

WHALE KO: You know, Bo and Ro, they again argued.

On ocean's surface is Whale Do.

WHALE DO: Who argues with whom? Cold day to everyone.

WHALE KO: Bo and Ro we didn't see them a lot.

WHALE LO: I never could understand why they can't accept that for friendship are important different things.

WHALE DO: We talk about Bo and Ro.

WHALE KO: Look, there they are.

On snow are penguins Bo and Ro.

PENGUIN BO: Hello to whales in the water!

PENGUIN RO: Such cold day is today.

WHALE LO: Wonderful.

WHALE DO: Glad that you again talk to each other.

PENGUIN BO: Who?

PENGUIN RO: We?

WHALE KO: You two. All the time arguing and now behave as best friends.

PENGUIN BO: We always are best friends.

PENGUIN RO: Yes, because I am best friend.

PENGUIN BO: You are, but never forget, that I am best among best friends.

PENGUIN RO: You are. But I am best of best among best best friends.

WHALE DO: Here you are.

WHALE KO: You are arguing.

PENGUIN BO: Never.

PENGUIN RO: How it could come to your mind?

PENGUIN BO: You, whales, just don't understand us penguins.
PENGUIN RO: And we penguins are difficult to understand, by you, whales.
PENGUIN BO: I said the same moment ago.
PENGUIN RO: It was my idea, but you said it earlier.
WHALE LO: Quiet for a moment, penguins. Something is coming.
WHALE DO: It's almost near.

All hide.

On snow is Penguin Mo.

PENGUIN MO: Hello! I was sure that heard voices. Some of them were voices of penguins. Why I, penguin Mo, am loneliest penguin. Why?

Whale Do returns.

WHALE DO: Because you talk only with yourself, that's your problem.
PENGUIN MO: Hi, hello. Please, please don't swim away.
WHALE DO: I'll give you a chance. Hello, Mo!
PENGUIN MO: You know my name, you know my name.
WHALE DO: Everyone will tell you that whale Do, that's my name, is smartest and wisest of all whales. I know you name.

Whale Ko returns.

WHALE KO: To whom you listen? Not only Do knows who are you. I am whale Ko and I know your name. Hello, Mo!
PENGUIN MO: I can't believe, all whales are such smart. All whales know who I am.

WHALE DO: It's our duty to know everyone.

PENGUIN MO: I could be wrong, but I heard. Oh, I shouldn't ask.

Whale Lo returns.

WHALE LO: About what, Mo?

PENGUIN MO: Hello! I am Mo.

WHALE LO: I know. I am whale Lo. About what you are afraid to ask?

PENGUIN MO: When I came here I was sure that heard voices.

WHALE LO: And you found us.

WHALE DO: We talk.

WHALE KO: You are right.

PENGUIN MO: Different voices. Voices of penguins.

WHALE LO: That creatures which look like you.

WHALE DO: Not exactly like you.

WHALE KO: But more like you, than like we.

PENGUIN MO: Yes.

WHALE LO: We know them.

PENGUIN MO: Could we met?

WHALE DO: Not best idea.

WHALE KO: Yes, Do is right.

PENGUIN MO: You think they wouldn't like me.

WHALE LO: They didn't like each other. Bo and Ro is worst choice. They didn't know what is polar friendship.

From different parts enter Ro and Bo.

PENGUIN BO: We heard that.

PENGUIN RO: We heard.

PENGUIN BO: Stop it, when we are here.

PENGUIN RO: We know what is polar friendship.

PENGUIN BO: We do.

PENGUIN RO: I did, before Bo.

PENGUIN BO: I told about that Ro.

PENGUIN MO: Hello!

WHALE LO: You met them.

WHALE DO: They all the time talk such way, don't be scared.
PENGUIN BO: It's not truth.
PENGUIN RO: Absolutely not truth.
PENGUIN BO: But even if it was truth.
PENGUIN RO: It isn't.
PENGUIN BO: What's wrong with it?
WHALE LO: It's not real friendship.
WHALE DO: Yes.
WHALE KO: Whales know about what they talk.
PENGUIN BO: Who said?
WHALE LO: I said and what now.
PENGUIN BO: I just checked if was right when think that this you said.
PENGUIN RO: He just checked.
PENGUIN MO: Could you be mine friends?
WHALE LO: Why?
PENGUIN MO: They are penguins.
WHALE DO: It works against them.
PENGUIN MO: Could I be your friend?
PENGUIN BO: I already have big friend.
PENGUIN RO: And I have little friend.
PENGUIN MO: Is it no?
WHALE LO: Don't listen to them, Mo.
PENGUIN MO: Is it no?
PENGUIN BO: I never said that. Ro, did you hear that I said no.
PENGUIN RO: You didn't. And I also didn't say no. It's true, like my name is Ro.
PENGUIN MO: Is it yes?
WHALE KO: Yes, it was yes.
PENGUIN BO: But we....
PENGUIN RO: We didn't...
WHALE LO: You heard that it was yes, yes, yes.
WHALE DO: Ro? Bo?
PENGUIN BO: Polar friendship, couldn't be other way.
PENGUIN MO: I am so glad that found you.
WHALE LO: At first you found us.
WHALE DO: Remember it.
PENGUIN MO: I will. And now swim together.
PENGUIN BO: It's not our way of celebrating new friend.
PENGUIN RO: Not exactly.
PENGUIN MO: But I think ...
WHALE LO: Ro, Bo...
PENGUIN BO: What?
WHALE LO: In water.
WHALE DO: Now.
PENGUIN BO: Polar friendship!
PENGUIN RO: We are best in it.
PENGUIN MO: In water!

The end.

December 2016.
