

Collusion.

*Woman and Man prepare for fancy dinner party.*

*Woman is absent minded, Man looks attentively at her every gesture.*

MAN: You didn't change your mind?

WOMAN: Dear, about what?

MAN: We could spend this evening at home.

WOMAN: Excellent idea, after I put myself inside this dress.

MAN: I helped you, Donut.

WOMAN: From where such ideas?

MAN: You are far away from here.

WOMAN: How far?

MAN: Inside your soul is terrible battle.

WOMAN: Red or black shoes to yellow purse?

MAN: You think about her all the time.

WOMAN: I said, it's all past for me.

MAN: I heard. You said it frequently.

WOMAN: Too frequent.

MAN: A little.

WOMAN: I don't want to return there. I closed door.

MAN: But she.

WOMAN: She is now in confession mood. I haven't solutions to her sins.

MAN: You were attentive to this situation.

WOMAN: I was lazy, guilty.

MAN: About?

WOMAN: I wanted satisfaction and justice made by someone else.

MAN: Such man should wake up sympathy in woman, you shouldn't blame yourself.

WOMAN: It was my fault in that crush.

MAN: No one was hurt.

WOMAN: I remember. I was such scarred, I felt myself such stupid. When I went to apologize I didn't wait that he will propose a date.

MAN: People meet each other by different ways.

WOMAN: I told myself it just coincident, lucky coincidence. And he forgive me because I was charming, not because he already calculated that I could be handy in his business.

MAN: Don't tell me that you did feel nothing about his...

WOMAN: Unusual attention? Yes. I heard about him, he heard about me. It looks like meeting organized in Heaven.

MAN: But?

WOMAN: Heaven had day off and all decisions made Hell.

MAN: You know it looks unusual when you didn't react to...

WOMAN: Other woman?

MAN: Yes. People who know you waited for something more...

WOMAN: Dramatic?

MAN: Attempts?

WOMAN: Thank you. What I should tell her?

MAN: She wants to confess.

WOMAN: And I should listen and make wide eyes that I had no idea where it all began. That I was stupid like everyone else and didn't notice coincidences which were at least month before but I still not sure if it wasn't before that.

MAN: She wants to tell.

WOMAN: She plays on my vanity. You don't even imagine how I want to tell her – I noticed it year ago.

MAN: Maybe you want to tell this to him.

WOMAN: It's so sweet, love. You think that he is such important to me now.

MAN: Is he?

WOMAN: It was like flu, you can't think about anything else just to notice later that your life not decisions made during flu. I don't want to tell him.

MAN: Why? He didn't listen to you.

WOMAN: He will listen and will do everything contrary.

MAN: Because of this you still check him.

WOMAN: I hate unfinished projects. You know. When I say white he will choose black, when I say cold he will choose hot.

MAN: And she?

WOMAN: She was my collusion. How many times I wanted to hate her after she without asking entered into my life.

MAN: Collusion? You prefer to work alone.

WOMAN: I prefer to be myself. And when he returned...

MAN: You had doubts.

WOMAN: Like with shoes?

MAN: Near.

WOMAN: I don't think it's good gift: humiliation of other person to start a story as nothing happened.

MAN: He said that he do it for you.

WOMAN: Definitely.

MAN: Your vanity was asleep.

WOMAN: He did nothing good for me before and I wasn't sure that was a beginning.

MAN: And you choose her like friend.

WOMAN: I wanted to be a supporter. I believe that I could help her...

MAN: In destroying him.

WOMAN: Yes, for the sake of Planet.

MAN: You hoped that she will have more fierce.

WOMAN: She had everything against his reputation.

MAN: Do you think she didn't try?

WOMAN: She didn't decided.

MAN: How to do it?

WOMAN: If she needs him. Her memories are bitter sweet. He impressed her.

MAN: And you?

WOMAN: You only once in life wait breathless to the phone call which never wake you. Later you stop to expect a lot from people. Became somehow kinder to their mistakes.

MAN: And after all this you want to talk with her?

WOMAN: I can't bring forgiveness, I can't give him to her or find arguments to stop her.

MAN: You disappointed that wasn't execution.

WOMAN: Don't make promises, which you aren't ready to finish.

MAN: That's because you don't want to speak with her or him.

WOMAN: Why?

MAN: No matter what they say. What she did or he received it's not enough for your hunger.

WOMAN: Yes. You are right. For me it's not enough. When I had chance to stop him, I didn't do it.

MAN: Are you feel guilty?

WOMAN: I believed that haven't power for that. He breaks women's lives like glasses.

MAN: You wasn't first.

WOMAN: Previous was such quiet. He has unique ability.

MAN: To stay in heart.

WOMAN: To humiliate such painful, that you never say about it aloud.

MAN: And he moves further.

WOMAN: Yes. I didn't stop him. She didn't stop him.

MAN: And you choose collusion.

WOMAN: Brilliant idea, but I was a little not attentive.

MAN: Because of my presence.

WOMAN: Mainly.

MAN: You could prevent next step.

WOMAN: Beautiful illusion. But he always has few victims simultaneously. I don't believe him. No more. He is not an angel.

MAN: He is evil genius.

WOMAN: Too much. He plays on weakness, because he is weak, he recognize it in others.

MAN: Do you want to tell all this to her?

WOMAN: Never. I regret that told you.

MAN: On the grounds that I am the same as he?

WOMAN: Usually you are jealous to the chair at which I sit.

MAN: It was just once.

WOMAN: Once in a while.

MAN: Situations are different.

WOMAN: Even if you left after this dinner, I am happy that told you that.

MAN: You are not sure in me.

WOMAN: I don't want start lie to you. Without trust I don't need this relationships.

MAN: And what about him?

WOMAN: I will work with feeling of responsibility, I promise.

MAN: And what about her?

WOMAN: I don't know how she will survive his next affair, it could be painful for her heart. She talks too much that she is strong, she is vulnerable, especially for his steps.

MAN: You?

WOMAN: I survived their story. I received experience.

MAN: You won't talk with her.

WOMAN: Not now.

MAN: Because?

WOMAN: I wasn't one and only who saw this white lies. She needs some time to understand it.

MAN: Are you still want this dinner?

WOMAN: If you still want to go with me?

MAN: Then won't be late.

*Blackout.*

*November 2017.*
